NEIGHBOURS

Welcome to Mulberry Street! Use your stickies to help Dad, Mum, Bluey and Bingo finish building their houses.

Dad's a rather noisy neighbour!

Mum hosts a book club at her lovely house.

HELLO, GROWN-UPS

We're getting to know a few of Bluey and Bingo's neighbours this month, like Lucky's dad, Pat, and Doreen! Your kiddos can even make their own trolley neighbours with their gift on page 34. We love hearing what you think about Bluey magazine, please send any feedback to: blueymagazine@immediate.co.uk

Hello, neighbour! What's your name?

This is a
STICKER
page

Bingo needs
LOTS of
space for her
animals.

Bluey has
a nice quiet
reading
room.

What sort of house would you build, kiddo?
Draw a picture of it.

HAMMERBARN

Will Bluey and Bingo find everything they've ever wanted?

1

One day, Mum and Dad are doing chores. "This house is falling apart," Mum groans. "Well, nothing lasts forever. It's just got character," Dad says. Bluey and Bingo run over. "Bingo's watermelon is redder than mine," complains Bluey.

The grass is always greener on the other side of the fence.

What does that mean?

We're going to Hammerbarn.

"Hey, Bandit!" Lucky's dad calls from over the fence. "New pizza oven! Pretty sweet, eh? I just got it from Hammerbarn!"

2

AT HAMMERBARN...

Dad checks out the pizza ovens, while Mum and the girls head to the garden centre. Bluey and Bingo split the trolley into two 'houses'.

Mum pops a gnome into Bingo's house. "You can be my husband," Bingo says. "Hey, no fair. I want a husband too!" Bluey adds. So, Mum gets Bluey a gnome-husband too.

Hello, my name is Hecuba.

Oh, hello Hecuba. My name's Gerald.

3

BUT... Gerald doesn't have a shovel like Hecuba. "Bingo's husband is better than mine," Bluey says.

So, Mum gets Bluey a NEW gnome-husband. But Bluey still wants everything Bingo has, including a pizza flipper. Mum suggests they try swapping things.

4

"Bingo, will you swap some of my plants for your pizza flipper?" Bluey asks. "No, thanks," Bingo replies. "But that pizza flipper is all I want in the whole world," Bluey says. "OK," Bingo sighs and hands it over sadly... Then Mum puts a pizza stone in the trolley. "Ohhh! A dining table!" Bingo cheers. Bluey wants it too.

The kids squabble and snatch and push and pull until...

5

5

Hecuba is knocked out of the trolley and smashes on the floor.

"BLUEEEEEY!"
yells MUM.

6

"I'm sorry," Bluey says. "This is what happens when you're unhappy with what you've got. Someone's husband eventually gets it," Mum tells her. "You can't just get new stuff all the time."

Ehhh... It's probably another Bluey.

Why not?

Because stuff costs money. There's no magical place where everything's just free.

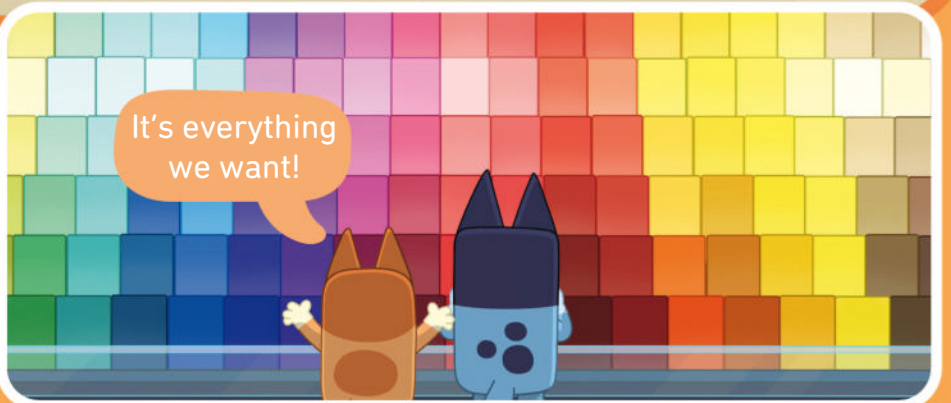

"BLUEY, LOOK!"

Bingo says suddenly, running to the paint swatch wall.

"Are these all for free?"

Bluey asks. "Yes, they're all for free," Mum sighs.

It's everything we want!

6

7

SO... The kids have fun playing with the free paint swatches in the trolley while Mum pushes them around. "Isn't it nice having everything," Bluey says to Bingo, but then they reach the checkout. "Argh! Don't take my dining table!" yells Bingo.

"We worked so hard on our houses," Bingo sniffs.
"I guess nothing lasts forever," Mum says.

8

THAT EVENING... "Are you ready for the best pizza you've ever tasted?" Dad asks, bringing over his homemade pizza-oven pizza. "We'll see about that," Mum chuckles. "Looks a bit bodgy," says Dad. "No... it's just got character!" Mum smiles.

Luckily, there's a GOLD team that his family and Bluey's family support!

Sometimes they play games with Bluey and her family over the fence.

HAPPY BABY RACE DAY

Make a lovely card for the special person who looks after you.

HERE'S WHAT TO DO...

1 Pull out the opposite page and stick it to cardboard to make it sturdy.

2 Snip out the bits and bobs along the dashed lines. Write your messages in the white boxes.

3 Add a line of glue along the top of the message boxes, then fold along the tops of the baby pics (along the dotted white line) and stick them over the top, so they can flap open.

4 Finally, write your 'To and From' message and give it to your special person. They can lift up the baby piccies to read the messages, ahhh.

GNOME HOMES

It's everything we ever wanted!

YOU WILL NEED:

- your painted gnomes & other bits from your Hammerbarn set
- a box like a cereal box
- long cardboard tube
- bottle tops
- paper straw
- tape & your paints
- a grown-up to help

1 Snip the top off your box so you have the trolley shape. Bend the long cardboard tube to make the trolley handle and stick it on. Then paint it all in trolley colours.

2 Snip out the wheels (stick them to bottle tops if you like) and stick them to the sides of your trolley.

TOP TIP

Don't forget to checkout. Just grab the dooter and dollarbucks from your gift. DOOT!

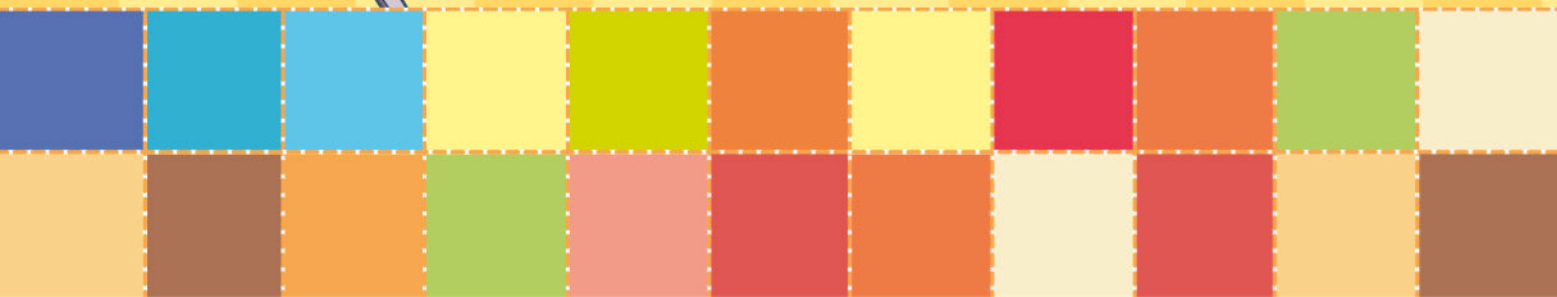

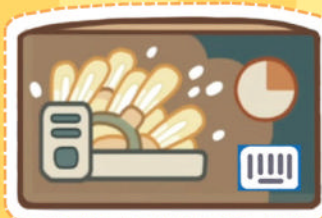

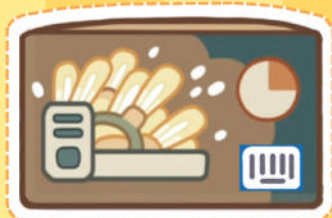

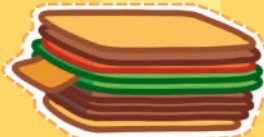

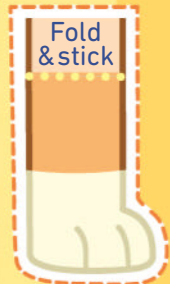

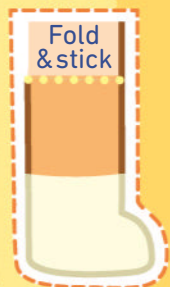

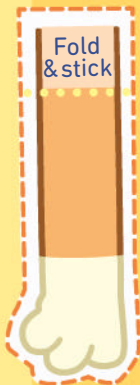

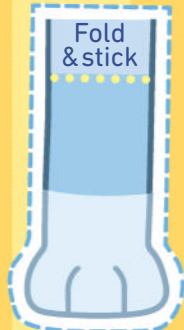

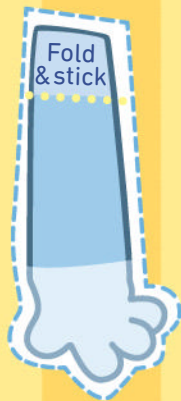

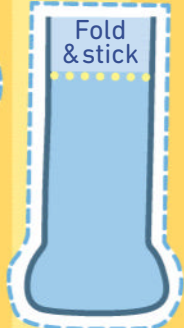

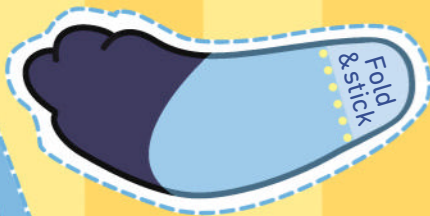

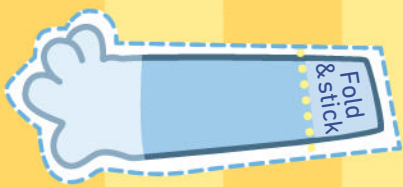

3 Now make Bluey and Bingo so they can sit in the trolley. Just snip them out, roll them into tubes and stick on their arms and legs. A paper straw can hold them in place!

4 Now you can make your gnome homes! You could use the colour swatches below to make the floor.

5 Add whatever you like (you might want to use the plants and other stuff on this page as well as the bits from your set).

6 Don't forget to add your gnomes. You could pop a thin box down the middle to make 2 homes just like Bluey and Bingo's!
